I put my complete trust in Production 78 and you didn't let me down! Everything was well planned, very well thought out and undertaken with a professionalism you should be proud of
Amanda Townsend, RWCMD

Following the overwhelming success of this event, we thought it appropriate to personally thank you for your wonderful contribution. Production 78's involvement was excellent, professional, detailed, calm and above all friendly and approachable. This definitely contributed to the overall success of the event. Much appreciated
Paul Thomas, Cardiff Communities First

We were happy with the standard of your work and feel that everything went as planned, if not better
Louise Vaughan, Vanity Fair Lee Jeans

I felt I had to write to thank you very much indeed for the huge contribution you made to making this year's Rally of Great Britain such an outstanding success in Cardiff. Each of the activities was outstanding and the result in no small way of your hard work and professionalism
Ronan Morgan, Rally GB ISC

I cannot recommend Production 78 highly enough, they were the glue that held the event together.

I look forward to working with them again
Bethan Gamble, Wales Millennium Centre

The team at Production 78 were incredible for our shoot. They were able to arrange everything with the little notice I was able to give them. When our location proved to have issues with running water, even though it wasn't something we had asked for assistance with, the team went over and above to assist us. I would definitely use you guys again when filming in the Cardiff area! Thank you!
Katherine Berlie, Betty TV

Very reassuring to have Production 78 at the helm for this event. Great job - as always!
Ceri Evans, Bridgend County Borough Council

Absolutely fantastic! Didn't realise how much work went into lighting and sound!!!
